

Hamilton

at *The Dr. Phillips Center*
October 18th, 2026

Join us at the incredible Dr. Phillips Performing Arts Center as we see a matinee performance of the musical, *Hamilton*. Lin-Manuel Miranda's Pulitzer prize-winning transformation of Ron Chernow's biography, *Hamilton*, into a hip-hop musical took the world by storm in 2016. At the center of this groundbreaking, multi-award-winning musical is the story of founding father Alexander Hamilton, whose ambition drove him from the position of Caribbean outsider and bastard child to American war hero and George Washington's right-hand man. In the process, Alexander Hamilton powerfully shaped America as we have come to know it - and gave us all a template for what it means to pull ourselves up by our bootstraps and realize the American Dream. This exploration of Hamilton's political mastermind was called "the most exciting and significant musical of the decade." David Brooks of the New York Times declared seeing *Hamilton* to be "one of the most exhilarating experiences I've had in the theatre." With heart, humor, and respect, Lin-Manuel Miranda's musical breathes vibrant, colorful life into this story of America's founding fathers. Your seats are located in Front Orchestra. After the show, we will enjoy a delicious dinner at P.F. Changs in the Millenium Mall. Activity Level 1
